

Dear Business Owner,

Konnect2Kidz is a 501(c)3 non-profit organization in the Houston area. We are hosting the Annual *Educator's Extravaganza* and looking to honor extraordinary people in the field of education on Friday, May 29, 2015 and Saturday, May 30, 2015 at the Hyatt Hotel North Houston, 425 North Sam Houston Pkwy, Houston, Texas 77060. *Konnect2Kidz* is offering the opportunity to sponsor a portion of the event to benefit the children and extraordinary provider's responsible for their care.

Our overall mission for this event is "To Raise The Bar To Higher Quality Childcare". By doing this we will bridge the developmental gap between home and admission into the school system. We cannot do this alone and we need your help. Your support will benefit a wide range of early childhood providers as we celebrate these inspirational people. There is no other organization in Texas that has hosted this type of event on this level. Therefore, we would be honored to partner with you to ensure the success of our goal.

We have partnered with other local businesses and organizations to help rebuild communities and provide effective intervention programs for the most disadvantaged children. We are striving to bridge the gaps in underprivileged families and create more success in our neighborhoods. We will provide a broad range of resources, but not limited to educating children, teens and parents on healthy living, fitness, finances and much more. We will offer skill building, college prep, life skills, mentoring, leadership programs and much more. Our goal is to open the 'Konnect Center' in Spring of 2017, offering all of these services in an accessible, neighborhood location.

Enclosed you will find a detailed sponsorship package in which to choose from. If the levels of sponsorship do not fit your budget, please feel free to make a contribution of any kind. There is no donation too big, or small. Together we will build better communities one family.

Thank you for your consideration of support. Please visit our website at Konnect2Kidz.org for additional information and to make online donations.

Special Thanks,

L. Davis Johnson/ President
